Tasdik allowances - No. 417 Malali Jamat Palli (Mangalore Taluk) - Readmission and payment of arrears.

Sheke Beari: the last recognised moktessor of the ----- institution having died the payment of the tasdik allowance has been in arrears since Fasli 1311 Consequently the ----- allowance was struck off the Register on 22nd October 1908 --- agreeably to B.S.O. No. 67 and the Tahsildar was instructed to advise the congregation to have a duly constituted moktessor - appointed by the Religious Endowments Committee.

One Chayya Beari, a son of the last recognised -------- moktessor who has since obtained a sannad of appointment as - the moktessor of the said institution now applies for the ---- readmission of the institution and payment of all arrears on the ground that he has been performing the services without -- break since the date of the last payment and that he has ----- repaired the mosque at considerable cost. He explains that the delay in claiming payment was due to dissensions in the -- congregation which deferred the grant of a sannad to him.

The allegations of the petitioner are fully borne out - by the Tahsildar's enquiry I therefore recommend that his - request be granted.
